Ahlibank completes new bonds issuance of USD 500 million for 5 years

Doha, November 25 2026 - Ahli Bank Q.P.S.C (Ahlibank) announced that it has successfully completed the issuance of a five year USD 500 million tranche in the global debt markets as part of its USD two billion European Medium Term Notes Programme, with a fixed coupon of 6.125%.

Mr. Hassan Ahmed AlEfrangi, Ahlibank's CEO, stated: "We are pleased to have successfully completed this issuance despite the challenging market conditions, which reflects the confidence of international and regional investors in Ahlibank. This issuance will have a positive impact on the Bank's balance sheet and its liability structure."

Mr. AlEfrangi added: "The demand for this issuance demonstrates broad international participation, attracting a diverse base of regional and international investors and achieving wide geographic diversification with international investors representing (52%) of the allocations, reflecting Ahlibank's standing within the international debt capital markets. In conclusion, I would like to thank our local and international investors for their continued confidence in Ahlibank and the State of Qatar. We also commend the efforts of the Joint Lead Managers, whose contributions were ins
