

Ahlibank Holds Annual Ordinary and Extraordinary General Meeting

Doha, 31 March 2026 – Ahlibank held its Annual Ordinary and Extraordinary General Meetings on Monday, 30 March 2026, chaired by Sheikh Faisal Bin AbdulAziz Bin Jassem Al-Thani, Chairman of the Board, with the presence of the Bank's shareholders.

The General Assembly approved Ahlibank's financial results for the year 2025, reporting a net profit of QR 932 million, marking a 4.6% increase compared to the previous year (2024: QR 892 million). The General Assembly also approved a 25% cash dividend distribution to shareholders for the year 2025.

Continuing its growth trajectory, loans and advances grew by 11%, while total deposits expanded by 8.9%, reflecting the Bank's solid financial position and continued market confidence.

Sheikh Faisal Bin AbdulAziz Bin Jassem Al-Thani, Chairman of Ahlibank, stated: “The Bank continues its commitment to integrating environmental, social, and governance (ESG) principles into its comprehensive strategy, in line with the directives of the Qatar Central Bank, thereby reinforcing its role in supporting sustainable development.”

The Chairman further expressed “By setting a clear roadmap and well-defined sustainability initiatives, the Bank is keen to achieve a balanced approach between economic growth, social responsibility, and environmental protection.”

Commenting on the Bank's performance, Mr. Hassan Ahmed AlEfrangi, CEO of Ahlibank, highlighted:

“The Bank's financial results for 2025 reflect its ability to achieve sustainable profit growth, supported by strong financial discipline, continuous improvements in operational efficiency, and a sustained focus on asset quality and risk management in line with best banking practices.”

Mr. Alefrangi added: “Throughout the year, the Bank continued to implement its digital strategy by further developing its integrated banking services and enhancing the customer experience through digital channels, in alignment with the national strategic direction of the financial sector adopted by Qatar Central Bank. This strategy focuses on digital transformation and sustainability, strengthening financial stability, and ensuring that the Bank continues to invest effectively in modern digital infrastructure and advanced cybersecurity systems. These efforts aim to protect customer data and financial transactions, mitigate fraud risks, and enhance confidence in electronic banking services, in full compliance with regulatory requirements and international best practices.”

Speaking on Qatari national talent development, Mr. AlEfrangi noted: “During 2025, the Bank continued to focus on building professional development programs aimed at preparing qualified Qatari talent to assume future leadership positions, in full alignment with Qatar National Vision 2030.”

Mr. AlEfrangi concluded: “The Bank’s strong performance continues to support its high international credit ratings, including A2/P1 from Moody’s and a Long-Term Issuer Default Rating (IDR) of ‘A’ from Fitch, reflecting international confidence in the Bank’s solid financial position, sound governance, and strong ability to meet its obligations.”
